

PART OF THE ART

LIVE ON STAGE !

Do you fancy having a dance to the favourite songs of your youth and really rock?

Part of the Art gives you an unforgettable time surrounded in the glamour of the 80s. The band combines hits of the 80s with contemporary sounds, rekindling the elation we felt when we first heard them. The winners of „Superchance 2014“ delight their audience with their brilliant, contemporary interpretations of such famous songs as „Sweet Dreams“, „Tainted Love“ and „Radio Ga Ga“.

Part of the Art is Carsten Düsener, who gives the well-known arrangements a contemporary flair and Stephan Runge, who with his passionate voice interprets the songs so impressively as if they were his own.

They skillfully capture the soul of the 80s and groove their audience into pure euphoria. Young or old, their cover versions get people on their feet dancing and singing along.

Since 2012, **Part of the Art** has appeared at club gigs in front of audiences of hundreds as well as at festivals with upwards of 40,000 spectators (on the Main Stage with Cascada, Kate Ryan, Helene Fischer, etc.).

When you love the Dance- and Trance-sounds of today, but still long for the dazzling times of the Synthpop - era of the 80s, then Part of the Art is exactly what you are looking for. The band offers you up to 90 minutes of hits at a time, sung live.
